

Fraser's

CAFE

Originally set up as a General Store by Alfred Cucksey in the 1870's, the Frasers site has been a cornerstone of the Mt Eden community for 150 years. In 1998 Frasers was established on this site and over the past 25 years has become an institution in Mt Eden.

Catering to the local community, and those that come from further afield, for breakfast, lunch, dinner, coffee or cake, Frasers has become synonymous with Mt Eden – even captured in paintings of the famous Maunga. We are proud to be the current custodians of this iconic site and carry on the traditions of those before who have strived to keep the local community watered, fed and caked!

We hope you enjoy!
